

About Us

The Great Life Group Foundation, Inc is a 501(c)3 organization formed to help today's youth and young adults be prepared to thrive in our present-day economy and in tomorrow's world.

Our leadership and youth entrepreneur program provides full spectrum development and help young people discover their natural gifting, develop it, convert it into entrepreneurial skills, and show them how to own and operate their own business using those gifts.

This will generate a lifetime of wealth for their family, improve their community, and generate jobs and opportunities for others.

Age Groups

We work with various age groups:

13yrs - 18yrs — Junior's program
19yrs – 24yrs – Young Adult's program
25+ — Senior's Giveback program

One program, three courses, 6-8 weeks each. Ongoing mentorship and training after complete the program.

We encourage all young people in these age groups to come discover their natural gifts and see how they can benefit both them and their community.

If you or your child are interested in joining or want more information don't hesitate to contact us.

Next course start date: to be announced.
Ensure you don't miss our announcements.
